

We're hiring!

Seeking talented team members to join our ALBD family!

Job Title: Senior Electrical Estimator

Position Type: Full-Time

Who We Are:

Since 2006, ALBD Electric & Cable has provided the highest-quality commercial and residential electrical installation, service and maintenance. We take pride in our 100% self-performance capabilities consisting of underground, ground-up, design-build, construction, tenant-improvements, and much more. ALBD's multi-faceted specialties and reputation have awarded our teams exciting projects with leaders in a wide array of industries.

We are not your average electrical contracting company. We are more than that. There is a cultivated family environment here at ALBD created by our ownership then nurtured by our leadership team. Many of our employees have been with us since inception and all of our employees are inspired by the opportunity for further development, training, and advancement.

Job Summary:

ALBD's Estimating Department is responsible for preparing bids for all request for proposals. The Senior Electrical Estimator is responsible for providing leadership and direction to the estimating team while facilitating project cost determination and potential profitability for commercial and mixed-use projects in order to meet department and company goals. This valued member of our team will be creative and solutions oriented and thrive on winning profitable work.

Responsibilities:

- Analyze, review, and interpret Electrical Drawings, related project plans, and specifications to produce comprehensive Electrical estimates
- Prepare accurate and detailed material, labor, equipment, time and miscellaneous take-offs and estimates required for each RFP and/or project
- Ability to estimate projects from start to finish of projects ranging from \$10K to \$5M in electrical scope
- Must be able to perform accurate material takeoffs
- Solicit pricing from suppliers and subcontractors
- Draft scope letters, proposals, and vendor solicitations
- Qualify vendor pricing quotes
- Attend job walks, pre-bid meetings, collaborations and conferences with clients and design professionals
- Respond to Vendors and Clients regarding Bid Inquiries
- Organize and File Bid Documents
- Attend Project Hand Off Meetings
- Review RFQ/RFP documents for the solicitation of subcontractors and vendors
- Possess a high level of expertise in all phases of electrical construction
- Enforce compliance with all applicable laws, regulations, safety standards and contracts and report all variances to the Division Manager
- Other responsibilities and duties may be assigned

(Con't on following page)

ALBD is an Equal Opportunity Employer and committed to workforce diversity.

Qualified applicants will receive consideration without regard to age, race, religion, sex, sexual orientation or national origin.

Education, Skills and Experience:

- 5-8 Years plus Experience as an Electrical Estimator for an electrical contracting company
- 5 years of experience in management and/or a supervisory role
- EBM Electrical software experience is a plus
- EBM/PLANSWIFT Onscreen Take-off is a Plus
- Respond to Customer Inquiries or request for Pricing Alternatives.
- Knowledge and ability to understand Architectural Drawings, MEP Drawings, and specifications
- Good organization and communication skills
- Experience in utilizing Electrical Estimating software, Bluebeam, Excel, and Building Connected
- Team player with the ability to work independently to meet deadlines, goals, and objectives
- Strong organization and time management skills with strong attention to detail

Benefits:

- Competitive Compensation Packages
- Medical, Dental, Vision, Voluntary Insurance and 401K with 3% match
- *And, ask about our Referral Incentive Program!*
