

ALBD

Electric & Cable

exceptional electrical
since 2006

WHO WE ARE

Since 2006, ALBD Electric & Cable has been a trusted provider of highest quality electrical service, repair, maintenance, and installation for commercial, industrial, governmental agencies, utility companies, and planned development clients throughout the region. We take pride in our 100% self-performance capabilities from one-time and long-term maintenance contracts to dry utilities, design-build, and ground up construction contracts.

OUR COMMITMENT

More than your average electrical contracting company, ALBD cultivates an environment where our people are our family and safety is a part of our culture. We are committed to delivering excellence in every project we undertake and pledge to provide superior electrical solutions tailored to the unique needs of every client, ensuring safety, reliability, and efficiency.

RELATIONSHIP DRIVEN

Our incredible team of trained and certified professionals rise to every challenge and complete projects on time, on budget, with the utmost commitment, workmanship, and customer-centric approach.

With unwavering dedication, we strive to exceed expectations, uphold the highest industry standards, and foster lasting relationships built on trust and integrity.

Client satisfaction is our top priority and we look forward to being your trusted partner in powering progress and illuminating success.

CLIENT SATISFACTION

We hate to namedrop but these clients entrusted us to partner & power them up!
